

REFERENCE LIST

CONCRETE INDUSTRIAL EXCELLENCE

COMPLETED PROJECTS, CONSOLIDATED EXPERTISE,
INTERNATIONAL TRUST.

AN INDUSTRIAL JOURNEY BUILT ON QUALITY, RELIABILITY, AND TANGIBLE RESULTS.

Over the years, **BM Carpenterie Oil & Gas S.r.l.** has developed a solid portfolio of completed projects for clients operating in the Oil & Gas, petrochemical, energy, and process industry sectors, working alongside EPC contractors, OEMs, and leading industrial operators worldwide.

The references collected here represent a significant selection of executed projects, reflecting our production capability, operational flexibility, and the reliability with which we manage complex orders across different industrial and geographical contexts.

Each project is the result of a rigorous production process, founded on certified quality, strict process control, full traceability, and compliance with international standards. A journey that confirms BM Carpenterie as a structured and internationally recognized industrial partner.

LOGISTICS & SHIPPING

STRATEGIC LOCATION, FAST SHIPMENTS, LARGE VOLUME HANDLING.

EVERY COMPONENT ARRIVES WHERE IT IS NEEDED, ON TIME.

Our proximity to major maritime and land logistics hubs allows us to efficiently manage national and international shipments, including oversized and out-of-gauge components.

LOGISTICS ADVANTAGES:

Proximity to the ports of Vibo Valentia and Gioia Tauro

Fast road and rail connections

Capability to handle extra-large and out-of-gauge cargo

WE ARE READY TO SUPPORT YOUR PROJECTS.
